Dear Loyal Lion Supporter,

This is an appeal to you to sign-on and support C. K. McClatchy High School's Athletic Program. A group of dedicated alumni has formed *Restore the Roar* to provide needed support for the program. We want you to show your Lion-sized spirit and sign on to this effort.

McClatchy has a proud and heralded athletic tradition. Many of you have been a part of that tradition. Others have been great supporters and proud of McClatchy's accomplishments over the last seventy years. In order to keep pace with the growing suburban programs, funds beyond what the school district and parents can provide are needed. *Restore the Roar* allows for alumni and to step up, show their Lion-sized spirit and provide the resources to assure McClatchy can field a strong and competitive athletic program.

In the short term *Restore the Roar* has provided support to the Football team, the most expensive sport to field, support for a study hall for athletes and *Restore the Roar* medals to outstanding graduating student athletes. As our funding grows, the needs of all sports will be supported. A major goal of *Restore the Roar* is the creation of a McClatchy Hall of Fame to honor our Lion legends

Please show your Lion-sized spirit with an annual donation of \$50 to support the McClatchy Athletic Program. With that annual donation you will receive admission to a home football game, two newsletters annually updating you on McClatchy Athletics, and free admission to selected events each year.

Thank you and *Restore the Roar*

Restore the Roar! Go Lions!

Restore the Roar

*Alumni and Friends in Support of
CKM Lions Athletics*

Join with other alumni, parents and friends of McClatchy to support McClatchy athletics. Our goal is to build a booster program similar to that of many large suburban schools so that the long and heralded athletic tradition will continue.

In addition, *Restore the Roar* wants to keep alive the long and heralded tradition of McClatchy athletics and pass it on to the current and future generations of Lion athletes.

Help this effort and join *Restore the Roar* today.
